1.	The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)  Providing safe, sanitary, and affordable housing to low income families.

### C. Criteria for Substantial Deviation and Significant Amendments

### 1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

- A. Substantial Deviation from the 5-year Plan:
- **B.** Significant Amendment or Modification to the Annual Plan:

The Housing Authority will consider the following to be changes in its Agency Plan necessary and sufficient to require a full review by he Resident Advisory Board before a corresponding change in the Agency Plan can be adopted:

- 19. Any alteration of the PHA's Mission Statement
- 20. Any change or amendment to a stated Strategic Goal
- 21. Any change or amendment to a stated Strategic Objective except in a case where the change result s from the objective having been met
- 22. Any introduction of a new Strategic Goal or a new Strategic Objective
- 23. Any alteration in the Capital Fund Program that affects an expenditure greater than twenty percent of the CFP Annual Budget for that year

In defining the above, the Housing Authority intends by "Strategic Goal" and "Strategic Objective" specifically those items in its Five Year Plan and any change in the above items will be considered a "substantial deviation" from the plan.

Furthermore, the PHA considers the following changes to require a public process before amending said changes and that these items are "significant amendments or modification" to the Agency Plan:

- 1) Changes to rent or admissions policies or organization of the waiting list
- 2) Additions of non-emergency work-items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund
- 3) Additions of new activities not included in any PHDEP Plan
- 4) Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements, such changes will not be considered significant amendments by HUD

The PIH Notice 2000-43 update issued on October 11, 2000, was interpreted as follows. If you are a small PHA (250 Units or less), the progress report on achieving goals and objectives is not required as an attachment to the "Annual Plan". This is the reason that this attachment has not been included in prior updates, and is not included now. If we are not in compliance with this notice, please let us know so that we may correct this.

### Required Attachment G: Membership of the Resident Advisory Board or Boards

List members of the Resident Advisory Board or Boards: (If the list would be unreasonably long, list organizations represented or otherwise provide a description sufficient to identify how members are chosen.)

Katrina Hatton Haywood Graham Margaret Lea Perrlie Givens Diane Howard – Resident Council President Ellen Cothren Vashti Sims

2 persons from each of 3 streets are chosen. Resident Council President has an automatic seat.

### RESIDENT COMMENTS

- 1) Fencing in front of Cox Drive
- 2) Replacement of interior doors
- 3) Back up generators in emergency situations or one generator at the community center
- 4) Snake Repellent

### PHA's Consideration:

- 1) Benefield Drive needs fencing more than Cox, we will look into this.
- 2) We use a good grade of interior door, stained. The residents are looking at sound affected and light showing under the doors. At this time there is no solution for what they are wanting
- 3) We have had an ice storm one time in 16 years. We have no place to store them and usage not feasible
- 4) Can be done under Operations
